Subjects • Sujets

- A -

Abdomen

Surgical images: soft tissue. Müllerian cyst of the upper abdomen: a lesion mimicking pancreatic cystadenoma (Shayan and others) (CME) 369

Abdominal injuries

Isolated blunt splenic injury: Do we transfuse more in an attempt to operate less? (Balaa and others) (TCC) 446

Adenocarcinoma

Symptoms, acid exposure and motility in patients with Barrett's esophagus (Brandt and others) (OA) 47

Adolescent

Slipped capital femoral epiphysis: an analysis of treatment outcome according to physeal stability (Fallath and Letts) (MMP) 284

Adrenal cortex hormones

SESAP question inaccurate (Drover) (C) 149

Aged

Efficacy of orthotic immobilization of the unstable subaxial cervical spine of the elderly patient: investigation in a cadaver model (Bednar) (OA) 251

Is obesity a predictor of mortality, morbidity and readmission after cardiac surgery? (Rockx and others) (OA) 34

Alcohol drinking

Snowmobile trauma: 10 years' experience at Manitoba's tertiary trauma centre (Stewart and Black) (OA) 90

Snowmobile trauma, alcohol and the law (Driedger) (C) 304

Allografts See Transplantation, homologous

Angiography

Surgical images: musculoskeletal. Scapulothoracic dissociation (Clark and Jomha) (CME) 456

Angiosarcoma See Hemangiosarcoma

Anterior cruciate ligament

Knee dislocations: experience at the Hôpital du Sacré-Coeur de Montréal (Talbot and others) (OA) 20

Radiology for the surgeon: musculoskeletal case 31. Presentation; Diagnosis (Ryan and Munk) (CME) 54

Antibiotic prophylaxis

Total knee replacement surgery and surgical site infection: a prospective audit (Austin and others) (CN) 145

Aorta

Saddle embolism of the aorta with paraplegia (Olcarchyk) (CN) 472

Aorta, thoracic

Combined trauma laparotomy and endovascular repair of thoracic aortic injury (Forbes and Parry) (CN) 386

Aortic aneurysm, abdominal

Branched endovascular stent-graft for suprarenal aortic aneurysm: the future of aortic stent-grafting? (Tse and others) (RA) 257

Implementation of a successful endovascular surgical program in a non-teaching tertiary-care centre in Ontario (Willoughby and others) (OA) 182

Is intensive care necessary after elective abdominal aortic aneurysm repair? (Lawlor and others) (OA) 359

Aortic aneurysm, thoracic

Artery transposition and carotid endarterectomy done simultaneously with stent-graft repair of an aneurysm of the aortic isthmus (Illuminati and others) (CN) 215

Appendectomy

Minimally invasive surgical practice: a survey of general surgeons in Ontario (Chiasson and others) (OA) 15

Residual appendix producing small-bowel obstruction after laparoscopic appendectomy (Gordon and others) (CN) 217

Appendicitis

Diverticulitis of the appendix (Friedlich and others) (CN) 146

Neuroleptic malignant syndrome after an emergency operation for acute appendicitis perforation (Tunca and others) (CN) 470

Strangulated femoral hernia containing a perforated appendix (Nguyen and Komenaka) (BC) 68

Appendix

Diverticulitis of the appendix (Friedlich and others) (CN) 146

Arm injuries

Radiology for the surgeon: musculoskeletal case 33. Presentation; Diagnosis (Ryan and Munk) (CME) 373

Surgical Education and Self-Assessment Program (SESAP): Category 10, Item 35-36 (CME) 451

Arthroplasty, replacement, hip

Can a new design of pneumatic compression device reduce variations in delivered therapy for the mechanical prophylaxis of thromboembolic disease after total hip arthroplasty? (Masri and others) (OA) 263

Périodes d'attente et ressources de la santé (Waddell) (É) 407

Prioritization of patients on scheduled waiting lists: validation of a scoring system for hip and knee arthroplasty (Conner-Spady and others) (OA) 39

La répartition des ressources dans les départements de chirurgie (Warnock) (É) 6

Resource allocation in surgical departments (Warnock) (E) 5

Surface replacement of the hip: a late revision (Huntley and Christie) (CN) 302

Total hip arthroplasty in a patient with neurofibromatosis type I and recurrent spontaneous hip dislocation (Odent and others) (CN) 219

Wait times and health care resources (Waddell) (E) 405

Arthroplasty, replacement, knee

Périodes d'attente et ressources de la santé (Waddell) (É) 407

Prioritization of patients on scheduled waiting lists: validation of a scoring system for hip and knee arthroplasty (Conner-Spady and others) (OA) 39

La répartition des ressources dans les départements de chirurgie (Warnock) (É) 6

Resource allocation in surgical departments (Warnock) (E) 5

Tibial plateau fractures

(Cameron) (C) 149

(Driedger) (C) 389

[reply] (Cameron) (C) 389

Total knee replacement surgery and surgical site infection: a prospective audit (Austin and others) (CN) 145

Wait times and health care resources (Waddell) (E) 405

Artificial ligaments See **Prostheses and implants**

Atrial fibrillation

- Causes of increased length of hospitalization on a general thoracic surgery service: a prospective observational study (Irshad and others) (OA) 2002:264 [correction 69]

Authorship

- Assessing the bioethical integrity of a clinical trial in surgery (Bernstein) (QS) 329

Autografts See **Transplantation, autologous**

– B –

Barium sulfate

- Gastrointestinal tuberculosis management guidelines, based on a large experience and a review of the literature (Rao and others) (OA) 364
- Survey of colorectal cancer screening practices in a large Canadian urban centre (Mack and others) (OA) 189

Barrett esophagus

- Symptoms, acid exposure and motility in patients with Barrett's esophagus (Brandt and others) (OA) 47

Bioethics

- Assessing the bioethical integrity of a clinical trial in surgery (Bernstein) (QS) 329
- Ethical dilemmas encountered while operating and teaching in a developing country (Bernstein) (QS) 170
- Ethical guidelines for the evaluation of living organ donors (Wright and others) (QS) 408
- Ethical issues in molecular medicine of relevance to surgeons (Bernstein and others) (QS) 414
- Hausser la barre de l'intégrité éthique des études cliniques (Warnock) (E) 328
- Raising the bar for the ethical integrity of clinical trials (Warnock) (E) 327

Biopsy

- Frozen sections in thyroid surgery: Is it a necessity? (Cetin and others) (OA) 29

Biopsy, needle

- Frozen sections in thyroid surgery: Is it a necessity? (Cetin and others) (OA) 29

Blood transfusion

- Hemolysis with rapid transfusion systems in the trauma setting (Kim and others) (TCC) 295
- Isolated blunt splenic injury: Do we transfuse more in an attempt to operate less? (Balaa and others) (TCC) 446

Bone wires

- External fixation with or without supplementary intramedullary Kirschner wires in the treatment of distal radial fractures (Lin and others) (OA) 431

Book reviews

- Living-Donor Liver Transplantation: Surgical Techniques and Innovations*. Koichi Tanaka, Yukihiro Inomata, Satoshi Kaihara (McAlister) 305
- Surgical Limits: The Life of Gordon Murray*. Shelley McKellar (McAlister) 388

Brain death

- Maimonides's cooling period and organ retrieval (McAlister) (Com) 8

Breast neoplasms

- Magnetic resonance-guided percutaneous cryosurgery of breast carcinoma: technique and early clinical results (Morin and others) (OA) 347

– C –

Cadaver

- Efficacy of orthotic immobilization of the unstable subaxial cervical spine of the elderly patient: investigation in a cadaver model (Bednar) (OA) 251
- Maimonides's cooling period and organ retrieval (McAlister) (Com) 8
- Renal transplantation using non-heart-beating donors: a potential solution to the organ donor shortage in Canada (Lacroix and others) (OA) 10

Total mesorectal excision: technical aspects (Phang) (ST) 130
